

Summer Music Courses – Gloucestershire Minibus Scheme

We are pleased to be able to provide a minibus service for the summer courses thanks to Gloucestershire Minibus Scheme (www.glosminibusscheme.co.uk).

The service will pick up from Cheltenham and Gloucester, but can also pick up from other areas such as Cirencester, Tewkesbury and Wotton Under Edge if there is a minimum of 8 people. If you wish to use the minibus service from an area other than Cheltenham or Gloucester, please fill in the form below indicating the area that you would like to be picked up from. We will contact you if there are enough people to run the service.

The pick-up points will be determined as to where members are coming from, for example, if Cheltenham members are from the North of the town, the pick-up point will be the racecourse. You will be contacted prior to the course to be told of the pick-up points and the times.

The minibus service will leave the Downfield Site 15 minutes after the last course has ended (6pm).

The cost of the service is £20 for Monday to Friday, £12 for Monday to Wednesday and £8 for Thursday and Friday. Please do not send any money now – this will be added to the final balance request. For those who have paid in full for their course we will send an invoice.

Name of student _____

Address:

Pick up from (please tick) Cheltenham Gloucester

I am interested in a pick up point from (please state) _____

Signed _____
