What else can I do in Birmingham?

It is vital you all get to listen to some of the other performers during the free time. In addition there is an outside stage and events on the various levels of Symphony Hall. Please note chaperone info below.

Valuables

Please take care of your valuables as there have been items stolen / mislaid in previous years.

Chaperone / Important safeguarding advice?

We are required by GCC to ensure that all students of school age (if you are 15 or below) are chaperoned at all times. Whilst we understand this is not ideal for all young people it is a requirement that GCC has asked us to undertake. Performers who are 16 or 17 years or age may have an element of free time away from staff but are required to stay in groups of three or more. Performers who are 18 years + are adults but must still adhere to our requests below.

Please note following

First Aid is available on site at the Hall and emergency first aid with GM Staff.

Be aware of those around you and follow, at all times, the help and advice of your tutors.

There is no smoking permitted during the trip.

Alcohol and drugs are not permitted during any part of the trip (irrespective of age).

Supporters tickets

Parents, friends and supporters can obtain tickets via the Music for Youth website (www.mfy.org.uk) or on the day itself. Tickets usually allow access to all venues across the festival for the day you attend with multiple day passes also possible.

Traveling with us?

If you are a supporter and traveling with us, please make a note of the pick up time and place.
